

**Last modification: 09/19/2018**

**Introduction**

Diskova respects your privacy and are committed to protecting while respecting our policy. We will never share your personally identifiable information with third parties without your consent.

**This policy describes:**

- The types of information we may collect from you or that you may provide when you:
  - Visit, access or use our websites or online applications that run on smartphones, tablets and other devices that provide dedicated browser-less interaction between you and our website and application ("Apps")
  - Communicate with us electronically and by other means
  - View or click on our ads or other online content and Interact with us via social media websites and other websites and apps.
- Our practices of collection, use, conservation, protection and disclosure of this information.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, you have chosen not to use our websites or apps. By accessing or using our websites or applications, you agree to this privacy policy.

Since we may change this privacy policy, we recommend that you check the current version available from time to time. If we make any changes to this statement, we will update the "Last Modified" date at the top of this page.

Our websites and apps are not intended for use by anyone under the age of 18 without the legal consent of parents or guardians. No one under 18 years of age can provide personal information on or on our sites or applications without the legal consent of parents or guardians. We do not knowingly collect personal information from anyone under the age of 18 if this information is provided without the legal consent of parents or guardians. If you are under the age of 18, do not use or provide any information on our websites or apps, or on or through any of their features, sign up for the websites or apps, make purchases through our websites or applications. Comment on the features of our websites or applications or provide us with any information about you, including your name, address, phone number, email address or any username or username that you may use without permission legal parent or guardian. If we learn that we have collected or received personal information from a person under the age of 18 without verification of parental consent, we will remove that information. If you believe we may have information from a person under 18 for whom there is no legal consent from parents or guardians, please contact us at [info@diskova.com](mailto:info@diskova.com).

**Information we collect**

Depending on the type of service you use and the way you interact with our websites and applications, we collect different types of information from you or about you, including the information below.

**Account Information:**

Contact information that allows us to communicate with you. We obtain this information when you order or register for our products or services or our applications. This may include information such as your name, address, phone number, e-mail address and other identifiers by which you can be contacted online or offline.

Payment information related to your financial relationship with us, such as the services and products we provide to you, your payment information, such as credit and debit card information (we do not store credit card or debit card information).

Profile information such as your date of birth, gender, occupation, income, hobbies, Facebook profile picture (if you login via Facebook and allow us to use your Facebook profile picture), marital status, number of children and nationality.

Shared information such as photos shared with other users of our websites and apps.

**Information about the use of the product / service related to the products and services we provide to you, including:**

- Information about your redemption of our offers; and
- How you use your devices to access our websites and apps, including the screens you visit and the searches you perform.

Information about third-party partners about how you use our third-party partners, such as your reviews of our merchant partners.

Your communications with us through social media, email, e-mail and other electronic and non-electronic communications.

Your networks and connections are made available to us, depending on the permissions you have granted, from the contacts in your mobile and desktop address book, from the Facebook friends list.

Devices and Settings Information from computers, phones, or other devices on which you install or access our products or services, depending on the permissions you have given us. We collect attributes of your device such as:

**Brand and model (mobile phones only);**

The operating system, hardware version, settings, file and software names and types, and device identifiers; device locations, such as GPS, Bluetooth or WiFi signals; and login information such as the name of your mobile operator or ISP, browser type, language and time zone, mobile phone number, and IP address.

**How do we use the information we collect?**

We use the information you provide to:

- Present our websites, applications and their content, and provide you with information, products or services that you request from us.
- Charge our obligations and enforce our rights under any contract between you and us, including billing and collection where relevant.
- Provide, enhance and develop our products and services to help you get the most out of the products you buy, including maximizing the savings you make using the products.
- Communicate with you about our products and services and respond to you when you contact us.
- View and measure our advertising and services so that we can show you relevant advertising and measure the effectiveness of our advertising and the reach of our products and services.
- Encourage security by using the information collected to verify accounts and activities to promote security on our sites and applications.

The usage information we collect helps us to improve our websites and apps and to provide a better experience by allowing us to:

- Estimate the size of our audience and usage patterns to better manage requests on our network infrastructure.
- Store information about your preferences, allowing us to customize our sites and applications based on your individual interests.
- Speed up your searches.
- Acknowledge yourself when you use our websites and apps.

We may also use your information to contact you about goods and services that may be of interest to you. If you do not want us to use your information in this way, please adjust your user preferences in your account profile. For more information, see your choices regarding the collection, use and disclosure of your information below.

### **How we share the information collected**

We may disclose aggregate information about our users and information. We may disclose personal information that we collect or provide as described in this privacy policy:

- To our subsidiaries and affiliates.
- To contractors, service providers and other third parties that we use to support our business and who are contractual obligations to keep personal information confidential and to use it only for the purposes for which we disclose it.
- to a purchaser or other successor in the event of a merger, assignment, reorganization, reorganization, dissolution or other sale or transfer of some or all of the assets of the Company, whether in the context of the going concern or in the bankruptcy proceedings, liquidation proceedings or personal information held by the Company on our websites or application users are part of the assets transferred.
- To achieve the purpose for which you provided them. For example, if you give us an e-mail address to use the "send an e-mail to a friend" feature of our websites or applications, we will forward the content of this e-mail and your e-mail address to the recipients.
- For any other purpose disclosed by us when you provide the information.
- With your consent.
- Other users of our websites and applications, limited to the following information: Your first name.
- Your total savings from the purchase of our products to date in the current year.
- Your If you have logged in via Facebook and you authorize the use of your profile photo (only your Facebook friends and contacts from your guest mobile address book will be allowed to access your account).
- Your profile description (only your Facebook friends and contacts from your guest mobile address book will be allowed to access.)
- Your savings level, your total savings achieved through the purchase of our products (only your Facebook friends and you, contacts from the address book of the guest mobile device will be allowed to access.)
- How long have you been a customer and what products have you purchased (only your Facebook friends and contacts from your mobile address book will be allowed to access).
- The identity of one of your Facebook friends who is a user of our apps and also a Facebook friend of the viewer of your profile (only your Facebook friends and contacts from your guest mobile address book will be allowed to access).

We may also disclose your personal information:

- To comply with any court order, law or legal process, including responding to any governmental or regulatory request.

- Apply our Terms of Use and other agreements, including for billing and collection purposes.

If we believe that disclosure is necessary or appropriate to protect the rights, property or safety of the Company, our customers or others. This includes exchanging information with other companies and organizations for fraud protection and credit risk reduction purposes.

Your choices regarding the collection, use and disclosure of your information

We strive to provide you with choices regarding the personal information you provide. We have created mechanisms to provide you with the following control over your information:

- **Monitoring of technologies and advertising.** You can set your browser to refuse all or some of the browser's cookies, or to alert you when cookies are being sent. If you disable or decline cookies, please note that parts of our websites or apps may be inaccessible or may not work properly.
- **Location information.** You can choose whether to allow our apps to collect and use real-time information about your device's location via the device privacy settings. If you block the use of location information, then some parts of our applications may be inaccessible or may not function properly.
- **Promotional Offers of the Company.** If you do not want your contact information to be used by the Company to promote our own products or services, you may unsubscribe by checking the corresponding box on the form where we collect your data or at any other time by logging into our websites or applications and adjusting your user preferences in your account profile by checking or unchecking the appropriate boxes or sending us an e-mail stating your request to [info@diskova.com](mailto:info@diskova.com). If we have sent you a promotional e-mail, you can send us a return e-mail asking to be excluded from future distributions by e-mail. This exclusion does not apply to information provided to the Company as a result of a product or service purchase, product service experience, or other transactions.

### **Changes to our privacy policy**

We may update our privacy policy from time to time. If we make any material changes to our privacy policy, we will post the updated privacy policy on this page and notify you by e-mail and the primary email address specified in your account.

The effective date of the Privacy Policy is the date of the last change identified at the top of the page.

### **Contact information**
